Dear Harold,

I am enclosing the NY Post article containing the Stephens quote & the Times article with the Haines/CIA statement. Also enclosed are other local articles I thought you might be interested in.

My new address is:

99-24 65th Road
Forest Hills, New York
11374

I don't know whether you're aware of it or not, but you get a free play in the ~~Hotel~~ movie "Greetings." It's an underground movie which takes pot shots at Vietnam, the draft, pornography, pushers, computer dating and the Warren Report. One of the characters is a kook "buff" who spends all of his time attempting to solve the case. At one point he's checking trajectories on his nude girlfriend's body. He decides that he has proved the trajectories prove the one bullet theory & one assassin theory false and then holds up Whitewash and explains hysterically "Whitewash."

(cont'd)

The ~~sec~~ reason I did not send you the Barry Gray tape (Haines + Hurley) is that it was prompted by the funeral service, & it was never rescheduled.

Please excuse my handwriting but I'm writing this letter on a moving bus and it's hard to keep my hand steady.

Hope to hear from you soon

Sincerely,

Jerry Policoff

P.S. In re "Feelings" the "buff" ~~is~~ in the end becomes another "Kennedy curse" victim as he is shot while waiting to [illegible] for a man who has identified himself as Carlene Roberts son.

P.S.S. If my handwriting is a little clearer now it's because I'm no longer on the bus, but in my calculus class. If it's not it's because I have lousy penmanship to begin with.
